

# ST. LUKE'S GETAWAY FAQ

Below are the answers to some common questions that people ask about the St. Luke's Getaway. Whilst we have attempted to answer the most common questions, you may have specific information that is not covered here.

If this is the case, please feel more than free to see one of the organising committee members;  
*Christopher Pears, Megan Slade, Louise & Phil Pearce.*

## What's it all about?

St. Luke's Getaway will be held at the recently modernised 'Camp Toukley' which sits right on the shores of Tuggerah Lake, only about 85km north of Hornsby. The camp resides in a lovely bushland setting with the lake a short bushwalk away.

The weekend is fully catered - so no cooking for you! We only have to set and clear the tables once each during the weekend so there is no washing up! A true getaway from our normal busy routines.

You can arrive Friday evening after dinner between 6:30 and 7:30 pm. Please come to the foyer of the main building to collect your room key. There will then be an informal get-together around 7.30pm which will be followed by a welcome supper.

Our Getaway finishes after lunch on Sunday around 2:00pm.

This brochure has been prepared to provide you with all the preliminary information that you should need as you prepare for yet another wonderful St. Luke's Getaway!

## WHAT ABOUT THE CHILDREN?

There will be supervised activities during the talks for children up to primary school age, including a crèche for the little ones.

Children in years 5 and 6 may choose to either stay and be part of the talks or go into the children's program. Teens are invited to participate in the talks and study sessions.

*Friday evening activity.*

*Engineering Genius!*

## WHAT HAPPENS ON SATURDAY AFTERNOON?

From after lunch until dinner is a period of free time to do whatever you want. Camp Toukley has a number of activities such as bushwalking, tennis and trampolines that you can join in as well as the challenging 'Leap of Faith' which tests out all of your fears at once! (but is still great fun). Parents will be responsible for their children during this time.

*Do these people look like they know what they are doing?*

*Food, Glorious Food!*

## WHAT IS PLANNED FOR SATURDAY NIGHT?

There will be an early activity for everybody (including younger children) which will be followed by an early supper. The younger members of the congregation can go to bed after this.

After supper, we will all join in an evening of music and dance which is guaranteed to be a fantastic time for all!

*Worth queuing for!*

*Something for all ages!*
